SUSTAINABLE MANUFACTURING INITIATIVE OF THE YEAR PROJECT STATEMENT QUESTIONNAIRE

Category: Sustainable Manufacturing Initiative of the Year

This award recognizes a company's commitment to creating manufacturing processes and plant improvements that positively impact the environment.

Apply for the Sustainable Manufacturing Initiative of the Year Award

Please answer the following questions in an electronic format. Limit responses to 400 words per question.

1. Describe your company's efforts to develop its sustainable manufacturing initiatives. (When answering, please explain the environmental opportunity that drove your efforts. Justify your classifications of these positions as "sustainable" by describing the manufacturing improvements and environmental benefits.)
2. Describe how your sustainable manufacturing efforts will lead to future success of the company.
3. Describe the impact on your overall business performance since the start of your sustainable manufacturing efforts.
4. Describe how this effort has impacted other aspects of your company.
5. Describe how you have communicated your efforts and demonstrated your commitment to the environment to the following audiences: your company, your industry, your supply chain, and the general public.
6. If you had to start over again, what would you do differently?
7. List the names, companies and contact information of any key suppliers, customers or other collaborators who were involved in the implementation of your manufacturing process.
